

REMARKS

IN THE DRAWINGS:

In response to the Notice of Allowance dated August 10, 2005, formal drawings and issuance fees were submitted by the applicant on October 14, 2005. A Notice of Drawing Inconsistency with Specification dated January 6, 2006 has been issued by the Office and indicates the following inconsistency: Fig. 7a is listed in the Brief Description of the Drawings in the specification but is not contained in the drawings. The applicant points out that Fig. 7a appeared in the original drawings and that the "a" of Fig. "7a" was a mere clerical oversight in submission of the formal drawings.

Therefore, a new sheet containing Fig. 7a and Fig. 7b, as originally included in the specification, is enclosed herewith and its entry is respectfully requested. This application should be ready for issuance.
